## FOR A SUSTAINABLE TOURISM

- The hotel binds the vulnerable community of the town of Barú, offering them a fair income and a better quality of life.
- The development of the local community in social projects is encouraged.
- The property promotes the conservation of flora and fauna, guaranteeing the preservation of the habitat
- The guests are informed about the importance of sustainable tourism promoting the purchase of local products.

## THE COMMITMENT TO THE COMMUNITY

500 inhabitants of the town of Barú were employed for the construction of the Hotel Las Islas. 120 inhabitants of the region were trained in English and topics related hotel services.

54 canoes were purchased for those who act as environmental guides from the hotel.

Items in the hotel store are made by local artisans. We involved tourists with local people, in social volunteer activities. The responsible traveler card was adopted.
